Suppliers must access Chrysler LLC Engineering Standards through ESSD -- Engineering Standards Supplier Distribution.

The direct link to the ESSD website is:

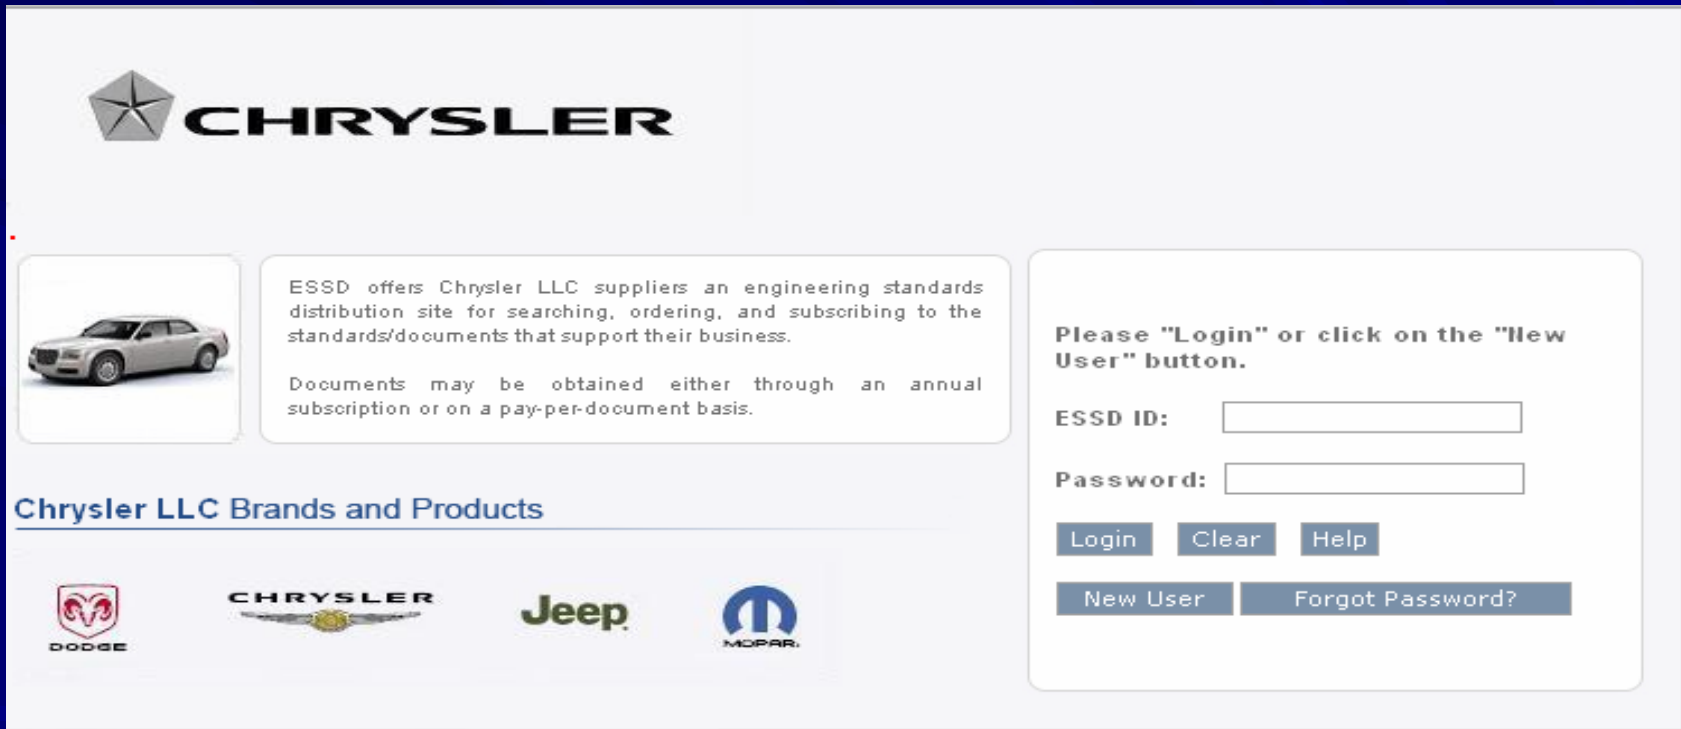

<https://essd.extra.daimlerchrysler.com/ESSD/Login.jsp>

If suppliers need additional assistance with ESSD, they can e-mail the Engineering Standards Group Mailbox at engstds@chrysler.com.

How Suppliers Access Engineering Standards

Chrysler LLC

- For supplier access to ESSD, go to <https://essd.extra.daimlerchrysler.com/ESSD/Login.jsp>

The screenshot shows the login interface for the Engineering Standards Supplier Distribution (ESSD) system. At the top left is the Chrysler logo. Below it, a small image of a silver sedan is shown next to a text box explaining that ESSD offers Chrysler LLC suppliers an engineering standards distribution site for searching, ordering, and subscribing to standards/documents. Below this text box, it states that documents may be obtained either through an annual subscription or on a pay-per-document basis. To the right of the text box is a login form with fields for 'ESSD ID:' and 'Password:'. Below the fields are buttons for 'Login', 'Clear', and 'Help'. At the bottom of the form are buttons for 'New User' and 'Forgot Password?'. Below the login form, there is a section titled 'Chrysler LLC Brands and Products' which includes logos for Dodge, Chrysler, Jeep, and Mopar.

Engineering Standards Supplier Distribution

- From the ESSD Login page, type your ESSD Login ID in the “ESSD ID” field. For most users this is their e-mail address.
- Type in your ESSD password in the "Password" field.
- Click on the "Login" button.
- This should log you into ESSD.

- If you do not know your password (or cannot remember it), or if you received an error message trying to log in, then enter your e-mail address in the “ESSD ID” field and click on the “Forgot Password” button.
 - A new ESSD password will be e-mailed to you.
 - Log into ESSD following the above procedures. Copy and paste the password from the e-mail message into the password field.

- If you receive an error message, then you will need to register as a new user.

- From the ESSD Login page, click on the "New User" button.
- Click on the "Search" button to the right of "Company Name".
- Enter your Company Search criteria and click on the "Search" button.
- Enter a partial Company Name **only** to verify your company has not already been created in ESSD.
- Click the "Action" radio button in front of the correct company name and click on the "Select" button.
 - Your company name will populate into the "Company Name" field on the Registration Form.
 - If your company's name is not listed in the search results then you will need to add your company's name to the company list.
 - Click on the "Add Company" button.
 - Type in the Company Name in all CAPITAL LETTERS.
 - Type in the Company's address in the remaining fields.
 - Click on the "Save" and "Close" button.

- Type in your "First Name", "Last Name", "Phone Number", and "E-mail Address".
 - Your e-mail address will become your ESSD Login ID.
- Determine what you would like your ESSD password to be and type it in both the "Password" and "Confirm Password" fields.
 - Your password must be between 8 and 12 characters and it is case sensitive.
- Click on the "Submit" button.
 - Your Registration Details will be displayed on the screen.
- To login with your New ESSD Login ID and your ESSD password, click on the "Return to Login Page" link.

- New ESSD users are Pay-per-document customers until they decide to Subscribe.
- The Help files (located on the Help tab after you log in) provide answers to most of the common questions.
- The Help files include How to Search for a Document, How Much Does It Cost to Purchase a Single Document?, How to Purchase a Single (or Multiple) Document(s) on a Pay-per-Document Basis, How Much Does It Cost to Purchase an Annual Subscription?, and How to Become an Annual Subscriber plus many more.
- If suppliers need additional assistance with ESSD, they can e-mail the Engineering Standards Group Mailbox at engstds@chrysler.com
